

Message from the Recreation Director;

Dear Residents of the community,

With the onset of warm weather, the Recreation Maintenance Team have decided to close the Towns Outdoor Ice Rinks for this season. A big thank you to everyone for your support, and especially those who took advantage of the Outdoor Rinks.

It's not all sad news, the '**Hot Tub**' will be repaired and open for business on Sat 1st Apr 17. (No this is not an April fool!).

Again, I would like to thank all the community residents for their continued patience and support, whilst the Hot Tub was out for repair.

Yours in Health & Fitness

Jim from the Gym
