#### **RECOMMENDATION:**

#### #21-191 MOVED BY: CLLR WILLOWS SECONDED BY: CLLR CHAMBERS

THAT THE COUNCIL OF THE TOWN OF HAY RIVER directs Administration to draft a letter supporting the Soaring Eagle Friendship Centre's application for Men's Healing Fund Expression of Interest.

#### BACKGROUND:

The Soaring Eagle Friendship Centre is applying to a funding program from the GNWT called Men's Healing Fund. The program is a community-based men's healing program used throughout the NWT. The principles of the Men's Healing Fund include self-determination, autonomy, collaboration, innovation, progress, dignity, strength, flexibility, respect, hope and belonging.

These principles share significant overlap with the United Nations Declaration of the Rights of Indigenous Peoples as well as the Truth and Reconciliation Commission insights.

There is no conflict with the Town in terms of this funding program as the Town will not submit an application under this program.

### **RECOMMENDATION:**

#### #21-172 MOVED BY: CLLR DOHEY SECONDED BY: CLLR DUFORD

THAT THE COUNCIL OF THE TOWN OF HAY RIVER directs Administration to apply to the Government of the Northwest Territories (GNWT) for financial relief through their Disaster Assistance Policy for costs arising from the 2021 river breakup flood damage to municipal owned infrastructure.

#### BACKGROUND:

CARRIED

On May 7<sup>th</sup>, 2021, upon recommendation from the local Fire Chief, a Local State of Emergency was declared by the Council of the Town of Hay River due to the high risk of flooding associated with river breakup. During the height of the emergency, the Town communicated twice daily through digital media and information posts the status and risks of the emergency while emphasizing flood preparedness. Flooding did occur and affected Town of Hay River infrastructure including several roads and berm systems.

Most of the damage sustained during the flooding was to the Town's road system. There was damage to the berm system located in the West Channel area of the town near the West Point First Nations community.

Preassessments on the damaged infrastructure have been completed but in some cases more assessments and associated costing for repairs are still needed. Preassessment information is presented in the attached Flood Damage Report – Public Works – May 2021.

The GNWT has a Disaster Assistance Policy (DAP) 21.04 (copy attached). Due to river breakup flooding occurring in several NWT communities, the GNWT has been promoting the DAP to community governments and households and businesses to cover flood related damages. Administration has reviewed the policy and is recommending that Council support an application through the DAP for the 2021 river breakup flood damage to municipal owned infrastructure.

The Town notified its insurance broker of the event and flood damages. The response has been that roads and berms are not insured.

c. Fee's and Chargers Bylaw

#### **RECOMMENDATION:**

#### #21-193 MOVED BY: CLLR DOHEY SECONDED BY: CLLR GROEOEWEGEN

THAT THE COUNCIL OF THE TOWN OF HAY RIVER accepts the report on the new Bylaw 2421 - Fees and Charges as presented.

#### BACKGROUND:

CARRIED

Many tax-based municipalities in the NWT have a separate bylaw that identifies all the fees and charges for municipal services. The intent behind a "one stop shop, for fees and charges" is clarity and ease of access for stakeholders who are seeking information on the fees that the municipality charges. The consolidation of fees and charges into one bylaw has the added benefit of providing a single point of reference for fees and charges that can be reviewed as part of the annual budget process.

Recommended fee changes are included as tracked changes to the schedules. Track changes was not always feasible where wholesale change to the fee structure was recommended. The Finance Committee considered cost of service as well as an interjurisdictional comparison in recommending new fees. Some of the Town fees have not changed since the mid-nineties and they are lagging other communities. In the case of administrative type fees, many of the services that had fees attached are now free services such as distribution of budgets and Council packages.

The Zoning and Building Bylaw, Solid Waste Management Bylaw and Tipping Fee Bylaw will be reviewed in 2021. Operational changes may be recommended as part of the bylaw review and in the case of the Zoning Bylaw, consultation is being completed. The rates for these bylaws are included in this Fee and Charges Bylaw but have minimal or no fee changes recommended at this time.

Schedule A to this bylaw identifies all the consequential amendments or repeals that apply to originating bylaws and serves to ensure that the timing of amendments or repeals is simultaneous.

The Town's legal advisor has indicated there is no requirement to bring all the originating bylaws to Council at the same time as the Fees and Charges Bylaw No. 2141. However, the originating bylaws should be amended at some point in the future to incorporate the wording that is included in Schedule A of the Fees and Charges Bylaw.

Any originating bylaws that have consequential amendments will require a full review of all of the legislative references. As many of those bylaws are dated, this will be a significant exercise but it will also provide an opportunity for the Town to streamline legislative references using current practice which is to refer to the enabling legislation in its entirety as opposed to specific sections or clauses within enabling legislation.

The Fees and Charges Bylaw incorporates the changes recommended by both the Policy and Bylaw Committee and the Finance Committee. These changes include:

- Administration Fees removal of several administration related fees with most types available online for no charge
- Ambulance Fees increased per km rate from \$2.00 to \$2.50 for Highway Service
- Cemetery Fees remove fee for children under the age of 16 (resident and non-resident). Economic increases to all other fee types.
- Building Permit Fees added Application for Rezoning fee of \$500
- Fire Department Service Fees increased Highway Response fee from \$1500 to \$1650 and per kilometer rate from \$2.00 / km to \$2.50 / km (aligned with Ambulance Highway Service rate). Added Firehall Meeting Room charge of \$605 / day and \$132/hour
- Business License fees economic increases applied to most types. Removed Renewal Penalty
- Taxi permitting fees approved by Council as part of Taxi Bylaw revision in June 2021
- Water and Sewer Services approved by Council as part of Utility Bylaw revision in May 2021

#### ALTERNATIVES TO RECOMMENDATIONS:

Leave fees in each underlying bylaw and do not present in an omnibus fee and charges bylaw
