c) Excused Absence

RECOMMENDATION:

#17-198 **MOVED BY: DEPUTY MAYOR JUNGKIND**
SECONDED BY: CLLR JAMESON

THAT THE COUNCIL OF THE TOWN OF HAY RIVER excuses Councillor Candow from the Municipal Services Committee Meeting on Tuesday, July 11th, 2017.

CARRIED

BACKGROUND:

Councillor Candow have asked to be excused from the Municipal Services Committee Meeting, July 11th, 2017

COUNCIL POLICY / STRATEGY OR GOAL:

N/A

APPLICABLE LEGISLATION, BYLAWS, STUDIES, PLANS:

N/A

The original side yard was approximately 13.3 feet. The new side yard setback will be 15 feet. The side yard also runs along a roadway so it really imposes on no one.

We have had no problems or any outstanding issues with this property and the new location of the unit will be better than the original for setbacks.

3.8 Relaxation of Regulations

- 1) The Development Officer may approve a development application notwithstanding that the proposed use does not comply with the provisions of this bylaw, if the non-compliance is minor and where, in the opinion of the Development Officer, denial of the application would cause the applicant unnecessary hardship unique to the use.
- 2) I can only grant setbacks of 10% for front yards and 20% for side yards. Any further relaxation, greater than the allowances identified above, shall only be granted by Council.

A relaxation shall be considered only in cases of unnecessary hardship or practical difficulties unique to the use, Character, or situation of land or building, which are not generally common to other land in the same zone.

I would also like to point out that the lot has been subdivided in the past and is 1 acre, smaller than the minimum 3 acres required for the R.C. Zone, making the huge side yard setbacks a little harder to achieve.

e) Emergency Services Monthly Report for June

RECOMMENDATION:

#17-200

**MOVED BY: DEPUTY MAYOR JUNGKIND
SECONDED BY: CLLR ANDERSON**

THAT THE COUNCIL OF THE TOWN OF HAY RIVER accepts the Emergency Services Activity Report for the month of June, 2017 as presented.

CARRIED

BACKGROUND:

Summary

June was one of our slower months as far as Emergency Response is concerned but very busy on the training front. Training this month included the following Modules of the 1001 program: Ventilation, Water Supply, Attack Lines and Hoses, Firefighter Survival and Salvage and Overhaul. Our present 1001 candidates are doing well in all training aspects.

We did the testing for Hazmat Awareness and Operations for our second batch of 1001 students and all 9 of them were able to complete the program giving us 17 Certified Structural Firefighters with Hazmat endorsements.

Members of the Department were also involved with Track and Field where we started off flooding the track and pit areas. We then worked the Medical Tent for the 2.5 days of the event. Injuries were minimal and not too serious in nature. Great practice for our members in preparation for AWG 2018.

Public Education included a Bike Rodeo where we had over 65 kids attend, we also held a Babysitters Course and a Home Alone Course in conjunction with our Recreation Department.

We are presently working on an initiative which includes ECE and the Aboriginal Skills Employee Training Strategy Group. We are working on program where training is supplied to the students in Chainsaw Safety and First Aid, once the students have been trained they will be tasked with clearing downed trees in the Ravine area as part of our Fire Smart program. This is still a work in progress and will hopefully start mid-July.

Meetings:

PWS Committee Meeting
Council Meetings
Municipal Services Meeting
Fire Meetings
Management Meetings
JOH&S Meeting
Meetings with ECE and the Aboriginal Skills Employee Training Strategy Group

During the month of June 655 Volunteer hours were served by the members of the HRFD for a year to date total of 2794 hours.

f) Municipal Services Monthly Activity Report for June

RECOMMENDATION:

#17-201

**MOVED BY: CLLR ANDERSON
SECONDED BY: CLLR JAMESON**

**THAT THE COUNCIL OF THE TOWN OF HAY RIVER accepts the Municipal
Enforcement Report for June 2017 as presented.**

CARRIED

BACKGROUND:

By-law Name	Complaints Received	Warnings Issued	Tickets Issued
TRAFFIC			
ANIMAL CONTROL	2	5	
NOISE CONTROL			
BUSINESS LICENSE			
UNSIGHTLY LAND		15	
LOTTERY LICENSE			
TAXI LICENSE			
SMOKING REGULATION			
STREET CLEARING			
GARBAGE COLLECTION			

NWT Offences	Complaints Received	Warnings Issued	Tickets Issued
Motor Vehicle Act	0	0	0
"ATV" Act	N/A	N/A	N/A

Dog Attack Complaints Received	0
Cat Attack Complaints Received	0

Number of Dogs Caught	0
Number of Cats Caught	0

Unsightly Properties: 21

Our major focus for the month was toward unsightly properties, which involved writing friendly reminders to those whose yards do not meet with standards. We identified 20 properties so far, 15 of which were dealt with by warning letters and the others by conversations with the owners. These areas will be re-inspected in July to see if we need to start thinking about cleanup orders. We will be continuing to inspect properties throughout the town and deal with public complaints as they come in.

Animal control issues were mostly dealing with barking dogs and 4 of the 5 warning letters were dealing with a complaint from one complainant. There was also one complaint in regard to a dog at large which was also dealt with by a warning letter.

There have been some concerns expressed in regard to ATV's within the town. We are presently working on obtaining a program where we can deliver some safety training or at the minimum safety messaging to deal with the issue.

b) Recreation & Community Services Monthly Report for June

RECOMMENDATION:

#17-205

**MOVED BY: DEPUTY MAYOR JUNGKIND
SECONDED BY: CLLR DOHEY**

**THAT THE COUNCIL OF THE TOWN OF HAY RIVER accepts the report entitled
"Recreation and Community Services Monthly Report" for Jun 2017 as presented
CARRIED**

BACKGROUND:

The Recreation Department is making significant improvements to its delivery of recreational responsibilities to the residents of the Town of Hay River. A drive in the maintenance of parks & greens spaces in both the New & Old Town has seen a number of positive comments received from the general public. The aquatic centre remains the main focus for Recreation, and every effort is being made to ensure we provide a quality service for all. To enable the Recreation Centre to take full advantage of the annual closure of the swimming pool, the Recreational Director will be requesting that the pool be closed for 3 weeks (4-24 Sept 17). This will enable the maintenance team time to repair & refresh the centre, which has not had a suitable close down for 2 years. The 3 weeks close down will also offer the opportunity to train & qualify some of our aquatic staff, which will support our vision in offering a quality service to the Town.

In terms of other Recreational opportunities, we are pleased to say that Yoga will be coming back to Hay River! Over the period 1-24 Aug 17 a Yoga teacher will be delivering a Yoga teaching training course to a number of residents of the Town. This course will qualify a number of people who will be best placed to offer Yoga lessons to all ages in the Town of Hay River & surrounding areas.

Things are starting to move with regards to the Revitalization of Porritt Landing following the presentation that was given to council by the Director Recreation & Community Services. It is hoped that a number of Porritt Landing projects will start to take shape over the coming weeks.

The Visitors Information Centre (VIC) continues to be a success and confirms that the background planning in winterizing the center, will only enhance the work in bringing tourists to the Town. The position of Tourism and Economic Development Coordinator which has been approved on a permanent basis, will cement the future vision for the VIC.

Fisherman's Wharf continues to thrive and the Recreational Department has taken a more active role in supporting this venture, now and into the future.

AQUATIC SUPERVISOR REPORT – Jun 17: Month-End Activity Report

Department Statistics

Programs

- Private Lessons: 12
- Weekday Swimming Lessons: 16
