

Due to the location of the Hay River Riverside Cemetery, the site was affected by the flood waters during breakup. The water and debris moved and damaged ornaments, decorations and other personal items that were placed on plots, as well as washed away fill from plots. The Town of Hay River requests that all above items be removed from site by Sunday, June 12th end of day. Maintenance is scheduled to remove all remaining items on Monday, June 13th and begin repair to damaged plots. We appreciate your cooperation and understanding in this delicate matter.

Town of Hay River June 2022 Newsletter

The Town of Hay River
would like to extend our warmest
Congratulations
to the 2022 High School
Graduates of Diamond Jenness Secondary School,
École Boréale,
and Chief Sunrise School on your well-deserved

Summer's finally starting to feel like it's here!
Along with the nice weather comes faster growing plants and grass. So please do your part in the community and keep your yard looking trimmed and neat! Your neighbors will appreciate the effort as well!

Instead of having to take care of your yard when it looks like this....

It's much less time consuming when it looks closer to this...

Thank you for abiding to local unsightly bylaws and we hope you have a great summer!

Registration is now open at the Hay River Community Center Customer Service Desk: 874-6500

***ALL FITNESS PROGRAMMING IS FREE FOR THE MONTH OF JUNE
AS HAY RIVER COMPETES FOR THE TITLE OF MOST ACTIVE COMMUNITY IN CANADA!***

The grass and the trees are turning green, the weather has been beautiful. Our Golf Course is back operating, Fisherman's Wharf will open this month. Our softball club volunteers and town maintenance staff are working to clean up our fields. Campgrounds are open or opening soon and we are already starting to see seasonal tourists trickling into town. Capital projects are starting or continuing, some will move forward as planned, others will have to be differed or changed in response to the flood. As we come out of a very difficult May, let us use the signs of the approaching summer to remind us that with each passing season there comes a chance for renewal.

Renewal is what is on a lot of our minds these days after the most devastating natural disaster on record for our community. We experienced extensive flooding throughout - nearly 400 property owners have applied to the GNWT for damage assessments and financial disaster assistance. Core Town infrastructure also took significant damage. We do not yet know the financial impact of this disaster, as much of the restoration and remediation work is only just beginning. We do know it will be substantial. I have met with our Federal MP, the Premier and MLA's/ Cabinet, showing them firsthand the impacted areas of our community. The town has been and looks forward to continuing to work with our counterparts throughout the recovery and rebuilding stages, until we are back to 100% or beyond. We have a steep hill to climb, however I am confident that our community will do it together one step at a time.

Many of our friends and neighbours are still displaced, and many more that have lost priceless parts of their lives and livelihoods, so as we begin getting back into our routines, let us all keep that in mind and be kind to one another. There are far too many of you to thank in a brief letter but on behalf of myself and council, I want to say the most heartfelt thank you to everyone that has played a role during this challenging time, from those involved with the initial response to those involved in the recovery. Each of you are what makes our community the best place to live. When the dust settles I'm certain there will be an opportunity to properly recognize your efforts. Until then, let us focus on renewal.

Sincerely,

Mayor Kandis Jameson
