February Mayor's Message

I hope everyone has enjoyed the past couple of weeks of warmer weather. When out and about it is so good to see so many enjoying the skidoo trails, outdoor rinks and sliding hills. The red noses, laughter and happy atmosphere are a welcome respite to the previous frigid temperatures.

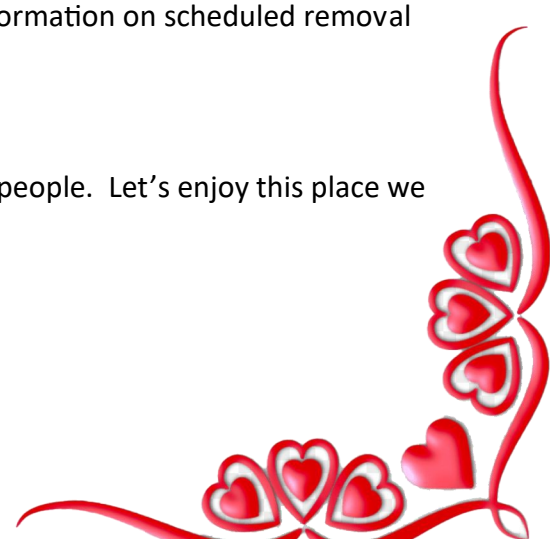

Heading into February, the office of the Chief Public Health Officer (CPHO) has eased restrictions and our Community Centre has reopened to high-risk activities with careful attention to distancing and hand sanitizing. While a step forward is welcome news, private social gatherings where folks tend to let down their guard, have been a source of increased infections, so the CPHO recommends that small group sizes and the usual protocols stay in place for our region. In our eagerness for a “normal” winter of fun and socialization, we can't lose sight of what still must be done to keep our families, friends and community safe. The highly contagious Omicron variant of Covid-19 is prevalent in our community causing a spike in cases and regrettably deaths. That reminds us to be vigilant and to stick with the protocols that have worked so well over these many months – Wash hands frequently, Watch your distance to others, and Wear a mask where distancing is a challenge. Avoid crowds and arrange activities outdoors instead of indoors is also helpful.

Public Health urges everyone to get both doses and a booster as the best defense against getting Covid-19. There are a number of scheduled clinics this month. Appointments can be made by calling the local Public Health Unit at 867-874-8400. Booking an appointment will ensure an adequate number of vaccines are available.

Winter also means snow clearing is underway around the community. Please ensure you watch for information on scheduled removal in your area and ensure that vehicles are moved out of the way.

We are so fortunate to live in this special place of natural beauty, spectacular scenery and kind, caring people. Let's enjoy this place we call home and continue to do what's necessary to fight Covid -19.

Stay well and safe,
Mayor Kandis Jameson

Seniors Chair Yoga

Wednesdays | 1:15pm - 2:15pm

Take the survey for a chance to win a \$100 gift card to Home Hardware

Have your say!

We want your input on the Hay River Community Housing Plan.

How to provide input:

1) Complete the survey here

2) Link to the survey by visiting hayriver.com or the Town's Facebook page

Please contact admin@planitnorth.ca for more information.

There are 3 versions of the survey that are available at the Community Centre; one for homeowners, renters, and people living with housing instability. They have the same questions as the online survey.

*Paper copies of the survey can be picked up and submitted at the Community Centre reception desk *
