

## Public Notice

### Hay River Breakup Update

April 26, 2023 – 5pm

An Evacuation Notice was issued at 3:30 PM today as a precautionary measure. This will allow residents the time to prepare if an Evacuation Alert or Order is issued.

Persistently higher temperatures through the weekend and next week which will contribute to further ice melt and potential changes in ice flow. At this time ice is flowing from the Pine Point Bridge and consolidating at Mile 5 with no further flow movement.

Pre-registration for the evacuation centre is available at 1-833- 699-0188 or <http://hayriver.com/breakup>.

Hay River residents should follow flood preparedness recommendations distributed by the Town of Hay River. Preparedness information can also be found at [www.hayriver.com/breakup](http://www.hayriver.com/breakup).

The next update will be at 10:00AM Thursday, April 27, 2023 or as conditions change.

Consolidation of ice at Mile 5 with no river movement
