

FLOOD VOLUNTEERS WANTED!!!

The Town of Hay River is accepting names of volunteers in order to ensure the Town of Hay River is well prepared for Spring Breakup.

At the present time there are 5 crews requiring staffing during Spring Breakup. If there are one or two crews which you are most interested being part of, please indicate this when you apply. Otherwise, we will assign you to a crew as the need arises. The following are the crews we are staffing:

1. **Flooding Monitoring Crew** – This is the physical monitoring of the water conditions around the town. A vehicle is required and the volunteer is responsible for their own costs. Strong communication skills are required and a familiarity with flood water conditions and risks is preferred. Irregular shift work would be required.
2. **Food Services Crew** – This is the preparation and distribution of food. Basic culinary and food preparation skills are required. A food preparation certificate would be an asset. A vehicle is an asset. Irregular shift work would be required.
3. **Evacuation Centre Support Crew** - This would be providing janitorial services and setting up of facilities. Also providing basic security support. Irregular shift work would be required.
4. **Registration Services Crew** – This would consist of registering evacuees and providing flood support information. Good customer service skills are required. An ability to support a range of demographic types with various care needs is necessary. Good attention to details. Computing skills are an asset. Irregular shift work would be required.
5. **Recovery Support Crew** – This would consist of cleanup of debris and basic repairs of damaged infrastructure. Good physical condition to perform manual work and support lifting is required. Basic knowledge of tools and equipment operation would be useful.

Please submit your name, phone number and email address as well as the crew(s) you would prefer being part of if you have a preference. Also let us know how flexible you are with your time. To reach us, you can call the Town Hall at **867-874-6522** with your information or email **humanresources@hayriver.com**

Thanks very much for stepping up to be part of this group providing disaster preparedness and if necessary, disaster relief!!!!
