

Local Emergency Management Organization (LEMO) Emergency Management Planning Meeting

April 24th, 2024

Attendance – Erin Griffiths, Glen McPhee, Glenn Smith, Travis Wright, Patrick Bergen, David Taylor, Stephane Millette, Stacey Barnes

AGENDA

1. Approval of April 17, 2024 LEMO Meeting Minutes
M: Patrick S: David
2. Public Preparedness Meeting
 - Concern for vulnerable sector with communications, how can we get communications to all of them? **Pre-registration??**
 - Telecom backups?
 - Community gatherings (sharing circle) – event to talk about the events after they happen
 - NWT Alert System – needs more clarity
3. Roundtable Update on Preparedness Activities
 - Public works items completed except airport road delineators
 - Recreation – Call centre setup, Training completed Friday, Evac setup (send annual reports to OFM and floor plans), RV park completed, Online forms tested and good to go, pet handling (talked with animal shelter), Transportation (longer term and if needed), HRHSSA (brief and vulnerable sector), Food Services (Salvation Army, Sandra Lester)
 - Protective Services – Firesmart program developed (moving ahead), wildfire meeting in May, Ice tested thickness could not be completed, mutual aid sent to SAO for review, monitoring equipment almost completed, Radios handed out to monitoring staff, Tabletop not really needed for flood (low risk) but will have one in May for wildfires, trigger points (meeting with HRHSSA to set), Highway controls (meeting with director tomorrow), getting drone shots for local ice gather for public.
 - Communications – Mailchimp is setup, website page is up and running, FM radio ads are going 1-2 times a day), update documents on the website.
 - Volunteers can reach out to HR email
 - SAO Smith – internal (who is essential, compensation), Partner agency agreements.
 - HRHSSA – Insurance is saying not all levels of care can not be in place, still defining roles through the authorities – More conversations another time.

Adjournment - 2:28pm
